CONTEMPORARY VISION

9

Inspired by the colors
of the sea and the sky

Un ritorno all'essenziale, alla purezza delle forme e alla qualità dei materiali. Profili lisci e forme geometriche primarie, per un'eleganza che sa anche essere funzionalità. Arredi minimal, ariosi, che si inseriscono nell'ambiente creando spazi ampi e luminosi. La linearità delle forme e la semplicità delle superfici si sposano con colori moderni, vivi, che risaltano su qualsiasi sfondo.

A return to the essential, to the purity of forms and the quality of materials. Smooth profiles and primary geometric shapes, allowing elegance to coexist with functionality. Minimal, airy furnishings that fit into the environment, creating large and bright spaces. The linearity of shapes and the simplicity of surfaces are combined with modern, lively colors that stand out against any background.
