Exclusive interiors

Galbiati è una realtà capace di coniugare cultura classica e ingegneria contemporanea. La profonda conoscenza della materia prima, i segreti della lavorazione e la continua ricerca estetica portano Galbiati ad un alto livello tra i più prestigiosi artigiani della lavorazione dei metalli.

Alla base del successo che ha raccolto e raccoglie in tutto il mondo, oltre all'ottima qualità del proprio processo lavorativo, c'è anche la capacità di adattare la propria produzione alle esigenze dei clienti.

Galbiati is a reality capable of combining classical culture and contemporary engineering. The deep knowledge of the raw material, the secrets of processing and the continuous aesthetic research bring Galbiati to a high level among the most prestigious metalworking craftsmen.

At the base of the success that it has collected and collects all over the world, in addition to the excellent quality of its working process, there is also the ability to adapt its production to the needs of customers.

Leaf Armchair nasce da una ricerca personale del designer Matteo Citterio che fonde insieme il parallelismo delle aste in ottone con la rilassante armonia delle forme.

Leaf Armchair was born from a personal research of the designer Matteo Citterio who fused together the parallelism of the brass rods with the relaxing harmony of the shapes.

The image shows a close-up of a table's base. The table has a dark blue, curved top. The base is made of multiple gold-plated legs that are arranged in a complex, crisscrossing pattern. The legs are highly reflective, showing bright highlights and dark shadows. The background is a plain, light color. A semi-transparent dark purple banner is overlaid across the middle of the image, containing the text.

I nostri designers
Our designers

Matteo Stucchi

Matteo non conosce confini.

In qualità di osservatore permanente del mondo che lo circonda, è guidato dalla natura globale del design e dal desiderio di accendere un'interazione significativa tra prodotto e consumatore. Dopo la laurea, inizia a fare esperienza di design e comunicazione, fino a collaborare come libero professionista con diverse aziende. Queste esperienze hanno aiutato Matteo a padroneggiare le sottili sfumature e il delizioso equilibrio tra forma e funzione, industria e arte, comunicazione e grafica.

Matteo knows no boundaries.

He considers himself a polite, determined and precise person. As a lifelong observer of the world around him, Matteo is driven by the comprehensive nature of design and a desire to ignite meaningful interaction between product and consumer. After graduating, he started to experiences design and communication, up to collaborating as a freelancer with different companies. These experiences helped Matteo master the subtle nuances and delightful balance between form and function, industry and art, communication and graphic.

matteostucchi_studio

Matteo Citterio

Matteo ha avuto il piacere e l'onore di collaborare con importanti nomi nel mondo dell'interior design e della produzione di mobili. Grazie a questo ha appreso l'importanza della minuziosa cura del dettaglio, l'equilibrio e la proporzione da rispettare nel progetto di ogni singolo prodotto.

La sua formazione è proseguita in aziende di arredo classico, dove il concetto di lusso è visto secondo un'ottica molto particolare ed affascinante.

Così affascinante che Matteo non ha più abbandonato questo mondo.

Matteo had the pleasure and honor of collaborating with important names in the world of interior design and furniture production. Thanks to this he has learned the importance of meticulous attention to detail, balance and proportion to be respected in the design of each individual product.

His training continued in classic furniture companies, where the concept of luxury is seen from a very particular and fascinating perspective.

So fascinating that Matteo has never left this world.

Anna Barile & Antonio Ottoboni

8&A Architetti è uno studio di architettura e design con sede a Milano, specializzato in progetti su misura per clienti tra cui case, spazi espositivi, negozi e uffici. Fondato da Anna Barile e Antonio Ottoboni, l'esperienza dello Studio spazia da ristrutturazioni, architettura sostenibile, interior design, progettazione di mobili su misura e consulenza per acquisizioni d'arte grazie alla loro decennale familiarità con lo scenario dell'arte contemporanea.

Al centro della loro attività c'è l'impegno per l'eccellenza nel design, l'esecuzione meticolosa da parte di abili artigiani e una ricerca incessante di materiali e tecnologie innovativi. Il loro obiettivo è elevare la visione di ogni cliente oltre le aspettative.

8&A Architetti is an architecture and design studio based in Milan, specialized in bespoke projects for clients including homes, exhibition spaces, stores, and offices. Founded by Anna Barile and Antonio Ottoboni, the Studio's expertise spans renovations, sustainable architecture, interior design, custom furniture design, and consultancy for art acquisition due to their decades-long familiarity with contemporary art scenery.

At the core of their practice lies a commitment to excellence in design, meticulous execution by skilled artisans, and a relentless pursuit of innovative materials and technologies. Their goal is to elevate each client's vision beyond expectations.

Since 1996, interdisciplinary approach has shaped their architecture projects, fostering ongoing collaborations with artists, musicians and creatives.

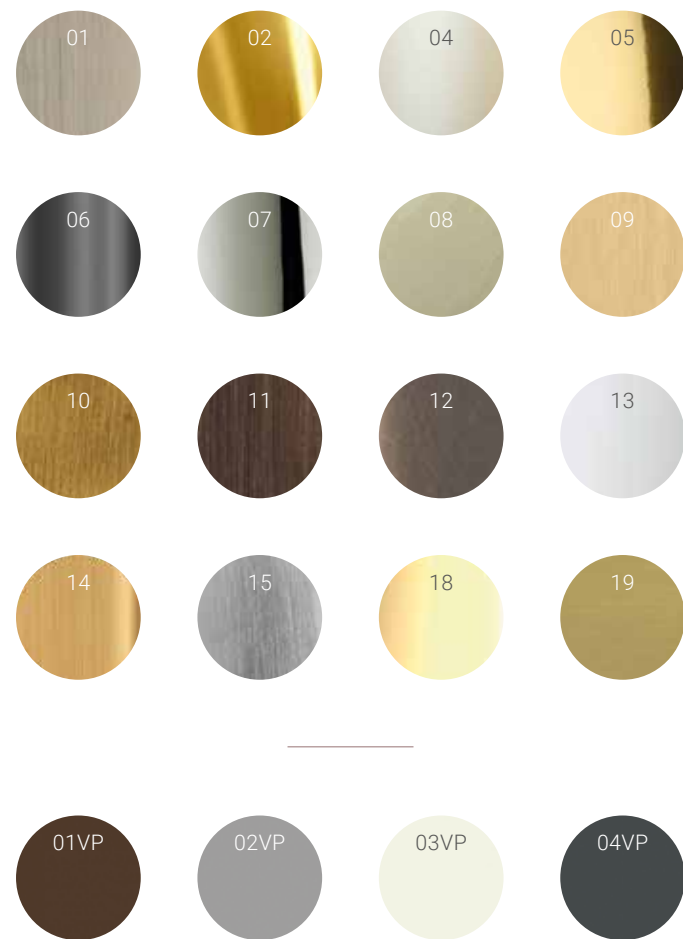

In every project, whether it is a residence, retail space, showroom, or art gallery, thorough attention to detail ensures that most furnishings and lighting are custom-designed to evoke new emotions and to seamlessly integrate with the environment.
